

Tar go Teamhair, Come to Tara, Tar go Teamahir, Come to Tara, Tar go Teamhair, Come to Tara

Day of Action for Tara

TUESDAY 3RD MARCH 09

Peaceful Protest ☺

Despite EU ruling to stop work on the illegal M3 motorway through Tara, destruction continues...

Nil neart go chur le chéile

We are calling for the people of **Ireland** Irish by ethnicity or adoption, to protect the living heart of the heritage and history of Ireland. Tara, which is one of the most archaeologically significant landscapes in the world, it is still a beautiful place steeped in ancient history, folklore and living traditions. **IRISH CULTURE, IDENTITY, AND HERITAGE** is not for sale to multinational construction companies – It is something we

TREASURE and **NOURISH**.

Don't miss your chance to leave your mark on Irish history.

It's not too late for Tara

Text **086 889 62 99** for enquiries or to get involved. Bring friends, family, waterproof clothes, boots, packed lunch, costumes, banners, instruments, cameras and County colours
